STUDY SITE INFORMATION	
Principal Investigator(s) <i>Please attach Principal Investigator's CV in email with concept application</i>	
Study Coordinator(s)	
Study Site(s)	
Address	
Email	
Phone	
STUDY DETAILS	
Study Title	
Dermavant Area of Interest <i>Reference Areas of Interest posted on dermavant.com/investigator-initiated-study-iis</i>	
Rationale for Study	
Study Design	
Hypothesis	
Primary Objectives & Endpoints	
Secondary Objectives & Endpoints	
Total Planned Number of Enrolled Subjects	
Sample Size Justification	
Description of Statistical Analysis <i>(if applicable)</i>	
Study Population	
Key Inclusion & Exclusion Criteria	
Limitations	
STUDY LOGISTICS	
Support from Dermavant <i>Are you requesting monetary support from Dermavant? If yes, a draft budget must be attached. Are you requesting any other type of support from Dermavant (e.g., drug, compound, etc.)?</i>	
Timeline of Study and Publication Planning <i>Include target date to provide final results to Dermavant and type of publication planned</i>	
References <i>Include references to any existing published studies and any other background information you believe is relevant to the review of this proposal</i>
